in Madras gets a daily allowance of Rs 3/- while on

The restrictions on journeys performed by Vice Presidents of St B's are however greater than in the case of Presidents of Ig. B's. This probably is due to the subordinate position of the Vice President.

39 In Mysore, Vice Presidents of St B's, may as suggested by the St B's Tankem, draw T.A. at rates admissible to assistants when travelling under similar circumstances as suggested in the Madras rule. It will invariably happen that the Vice President is an officer stationed at head quarters and his journeys performed under the orders of the President.

40 As regards Ig B's, it is not contemplated in Mysore to have immediately Presidents (elected) for Ig B's, while it is possible that the election of Vice Presidents will become a common feature of the A.S.G. scheme before long. So that, it would be necessary to adopt a special rate for such officers. Non-M.P. Presidents or Vice Presidents of Ig B's may ^{therefore} be permitted to draw T.A. at rates admissible to assistants, viz. Rs. 2/- per day while travelling within jurisdiction and Rs. 2/- a day allow. of Rs 3/- per day while travelling under circumstances mentioned in the Madras
